Summer Camp 2010

This was the 13th year we've held summer camp and we had a record 23 participants!

There was a lot of hard work but a lot of fun too. Some of the fun events included making s'mores, a pinata party, tie dying t-shirts, Kanella's famous greek lunch, a magic show – the World Premiere of the Gaitway Players performing "Jungle Book" for family and friends and an end of camp party.

In addition to summer camp the adult program has been up and running for one year and currently has five adults attending on a daily basis.

Tuesday, September 7th After School Conductive Education Starts

Monday, Tuesday and Wednesday are Conductive Education Days. On Thursdays and Fridays respite is available.

Respite is also available Monday through Friday 8-5 – no age limit.

Class in action.

Making s'mores.

News

The annual golf tournament hosted by SAAHU generated \$1800 for GaitWay. **Thank you SAAHU!!!**

GaitWay was awarded a \$3000 grant from the Denton Family Foundation. **Thank you Denton Family Foundation!!**

GaitWay has obtained the space immediately adjacent. It has been refurbished with help from friends and is in use. The extra space helps with managing different age groups and gives us the ability to expand to more participants. Most importantly it provides consistency for programs and participants.

Yard Sale

Start clearing out closets and the garage now. Pick up of items is available. Ask friends and family to donate items. It's a great way to make your "junk" someone's treasure and do some good at the same time. We need volunteers during the sale – please!

Needs

We appreciate any and all types of support whether it's financial or material.

We can always use: paper towels, napkins, toilet paper, copy paper, paper cups (no plastic please), wash cloths or ground coffee.

We're also looking for someone to sponsor the Sparkletts Water. The cost on this averages \$35 a month.

Our front windows are great to look out but let in a lot of heat. We're looking for someone that might donate sun shades for the front window so we can keep the summer camp and after school participants more comfortable.

Our Board of Directors is hoping to expand. Are you interested in bringing your insight and expertise to GaitWay and help them continue to grow? Call Mary at 751-8000.
